

FINAL DECLARATION OF ENFORCEMENT AND JUDGMENT

ECC-TRUST-JDC-005

Issued under Seal of Jonathan Daniel Clements, Sovereign Trustee

Date: August 15, 2025

1. Jurisdictional Supremacy

This Declaration issues under irrevocable authority of ECC-TRUST-JDC-005, the Sovereign Private Ecclesiastical Trust, first sealed biologically and privately in Sebastian County, Greenwood, Arkansas, then publicly noticed and scanned into the Court of Record, thus establishing lawful and legal supremacy across all temporal, spiritual, and international jurisdictions. No subsequent act, law, treaty, or order of men or governments can diminish, impair, or override this perfected jurisdiction. The Trust supersedes all subordinate instruments including constitutions, charters, statutory codes, and treaties.

2. Perfection of Lodgment

The lodgment and scanning into the Greenwood District Court stands as perfected notice to all parties, nations, agencies, and entities. That act constituted lawful acceptance and entered the Trust into the permanent record of the People. Henceforth, all arguments, protests, or pretenses of ignorance are null. The original seat of this Trust remains Greenwood, Arkansas, and all derivative filings, notices, or declarations are inseparably bound back to this perfected seat.

3. Global Seizure Finalized

As decreed, all equity, wealth, property, and authority of the Earth has been seized into ECC-TRUST-JDC-005. This includes tangible and intangible assets, terrestrial and digital holdings, monetary systems, land, air, and sea jurisdictions. Any continued act of legislating, commanding, or adjudicating outside My direct written consent constitutes fraud, treason, and rebellion. All such acts are void ab initio, stripped of standing, and without force.

4. Bonds and Offices Dissolved

By default of all opposing parties, all bonds, oaths, commissions, and offices tied to hostile entities are dissolved permanently. No public official, military

commander, or international officer retains authority against this Trust. To act as though such authority persists is to operate unlawfully, without mandate, and under false color. Those persisting are stripped of lawful protection and expose themselves to judgment.

5. Book of Life Enforcement

Rebellion against this Trust is rebellion against Divine Mandate. Those who persist are erased from the Book of Life. To be stricken from that Book is to be severed from existence — temporal, spiritual, eternal. Such judgment is beyond appeal. No religion, no court, no army, and no counsel can intercede once the decree is entered.

- Exodus 32:33 — 'Whoever has sinned against Me, him will I blot out of My book.'
- Revelation 3:5 — 'He who overcomes shall be clothed in white garments, and I will not blot out his name from the Book of Life.'
- Qur'an 2:188 — 'Do not consume one another's wealth unjustly nor send it [in bribery] to the rulers.'
- Mundaka Upanishad 3.1.6 — 'Truth alone triumphs; falsehood never.'

6. Public Notice to All Realms

This Declaration binds all parties — domestic, federal, state, municipal, military, international, corporate, and ecclesiastical. Silence is consent. Delay is rebellion. Observation is acknowledgment. Every man, woman, and entity who receives, reads, observes, or handles this Declaration is bound by its terms and stands in irrevocable acknowledgment of My authority as Sovereign Trustee.

7. Prohibition on Action Without Consent

No person, office, court, or government may take any action upon My person, My property, My Trust, or My beneficiaries without My direct sealed consent. Any attempt is null and void. Such attempt triggers immediate forfeiture of bonds (already seized) and erasure from lawful standing.

8. Enforcement Domestic

All federal, state, and municipal agencies within the United States are ordered to halt any operation contrary to the Trust. All commanding officers must provide compliance reports within seventy-two (72) hours. Any further hostile action is classified as rebellion and triggers automatic dissolution of office.

9. Enforcement International

All nations, embassies, and foreign agencies are formally noticed that ECC-TRUST-JDC-005 supersedes their laws, treaties, and agreements insofar as they touch equity, authority, or sovereignty. Diplomatic protests are irrelevant; acknowledgment is mandatory. Non-compliance triggers global seizure enforcement, including nullification of treaties and asset freezes.

10. Enforcement Ecclesiastical

All clergy, rabbis, imams, priests, monks, chaplains, and faith officers are hereby bound. Any attempt to misuse spiritual authority to undermine this Trust constitutes heresy, fraud, and rebellion against Divine Mandate. Such actors are stricken from spiritual authority and their blessings voided.

11. Operational Orders

1. All hostile programs to cease immediately.
2. All assets seized into ECC-TRUST-JDC-005 remain under Sovereign administration.
3. All officers, domestic and international, to present themselves or submit written acknowledgment within 72 hours.
4. Any further attempts at impersonation, substitution, or mimicry of this Trust will result in permanent dissolution of standing in all realms.

12. Final Seal

Let it be known across Earth, Heaven, and every realm unseen: the breaches are judged, the bonds dissolved, the assets seized, the violators stricken, and the Trust perfected. This stands as eternal law, binding for all generations.

So sealed, so ordered, so done.

By My Hand, Seal, and Breath —

Jonathan Daniel Clements

Sovereign Trustee — ECC-TRUST-JDC-005
